Children must return to their campsite by 8:30pm and noise is to be kept to a minimum after this time. Generators must be turned off at 10:00pm and are not to be restarted until 5:30am.

SPARE BIKES AND CHANGE OF MACHINE

All spare bikes must be included in self scrutineering. If a change of machine (spare bike) is required during the event, **riders must request permission** from the Clerk of Course in writing prior to the start of the race the machine is required for. Bike change forms will be available at the Timing Tent.

RIDER'S NUMBERS

Numbers must be clearly displayed on the rider's front plate, side plates, and rider's jersey/back protector. Please clean your numbers between races so officials can read bike numbers.

SAFETY GEAR

Please remember that Dirt Track events require riders to have back protectors as per the Manual of Motorcycle Sport:

“Back/Chest Protectors

A - A commercially manufactured back protector, except where suits/jackets are fitted with integral back protection.

Protection of the back must be continuous and cover all of the back area between the collar and the base of the spine”

PIT BIKES

In the interest of safety, the club has had to make the decision to ban pit bikes, ebikes, balance bikes, and scooters from the pits and track at all times.

Please respect all of our volunteers and officials helping to run our events, without all of their support we can't continue to operate – there's no excuse for abuse. We also ask that you respect our neighbours and local communities, we have had a number of issues with late night noises (bikes being ridden after curfew, illegal fireworks etc) that cannot continue. These kind of

stunts put the club and our lease at risk – If you want to keep riding at our track in the future, please use your common sense and be courteous to everyone around you.

VENUE INFO

All riders please ensure that when you leave the venue that the area is rubbish free.

Tear offs and glass bottles are not permitted at this venue. Any tear offs found on riders goggles will be confiscated. Roll off systems are encouraged.

A small canteen will be available and will be run by the Conondale P&C; we appreciate your support to our local community. The canteen will be open for breakfast and lunch on Sunday.

If you have any questions, you can contact me on 0402 585 472, or via the club [facebook page](#).

Thanks,
Alisha
Race Secretary
